

To whom it may concern:

For the past two years, Ms. Monique Nuncio-Rodriguez has served as the volunteer Leader of Houston 5th Platoon for the national non-profit, The Mission Continues. She has organized community service projects, coordinated networking events and rallied hundreds of veterans and community members to provide critical services to underserved neighborhoods. She has earned respect from the veterans as well as the non-profit partners and community members, with whom she serves. In all she does, Monique exemplifies dedication, thoughtfulness and the ability to remain focused on a mission. Monique will use those qualities to create a better future for the families and children who attend Deer Park Public Schools.

Monique, a born and raised Houstonian, served in the U.S. Army for more than 8 years. She, along with her husband, also a military veteran, and their son live in a modest home in Pasadena, not far from where she grew up in the East End of Houston. Those who have the pleasure to work with her, respect and admire her generosity, intelligence, and dedication to serving veterans and her community.

Most recently, Monique lead a team to assist in Hurricane Harvey recovery efforts in the East End. As a result of her efforts, she was selected to attend two highly-competitive leadership programs with The Mission Continues: 2016 Mass Deployment in Detroit, and the 2017 Women Veterans Leadership Summit in San Francisco.

With proud enthusiasm, The Mission Continues supports Monique Nuncio-Rodriguez in her candidacy for Deer Park School Board in 2018.
